"Because I Said So" Academy Award-winning actress Diane Keaton stars with Mandy Moore, Lauren Graham and Piper Perabo in this heartwarming comedy about mothers, daughters and cutting apron strings. When it comes to her three free-spirited daughters, Daphne (Keaton) is just your normal over-protective, overbearing, over-the-top mother. Worried that her youngest daughter, Millie (Moore), will end up alone, Daphne meddles in her daughter's love life until she ends up doing all the wrong things for all the right reasons...and all in the name of motherly love.
