Welcome To Recycling In Keyport

All information to successfully recycle in The Borough of Keyport is contained within this pamphlet. When at an event use the proper container for trash and recycling items.

Effective January 1, 2011, you may no longer place TV's and other electronic items out with your regular trash. They are now designated bulk items by a new State of New Jersey law. Check E-scrap for types of material and how it should be disposed.

A new ordinance requiring a \$30.00 non-refundable dumpster fee for construction and demolition materials has been enacted this year.

The Recycling Center will be open every Saturday from 9am to noon for your convenience. A menu of items that may be dropped at this site is available and posted at the Center.

Please continue to recycle in the Borough; you are making a difference.

Thank You
Recycling Committee of Keyport
