Welcome To Recycling In Keyport

This pamphlet contains all necessary information to successfully recycle in the Borough of Keyport. *One major item removed from the recycling list is dry cell batteries, sizes AAA, AA, A, C, D and 9 volt. They are to be discarded with your general trash. Another item of concern to recycling is the compact fluorescent lamp (CFL). This item can be recycled, unbroken, at The Home Depot.*

If you miss your regularly scheduled pick-up, the Recycling Center, located on Florence Avenue and Highway 36, is open every Saturday from 9am to 12noon. A menu of items that can be dropped at this site is available for your information.

A paper shredding event will be scheduled in the Borough. Residents will be informed when this event will be scheduled by the County. Each resident will be permitted one hundred pounds of paper.

Continue to recycle in the Borough, you are making a difference.

Thank You from the Recycling Committee
