To Whom This May Concern:

This letter is to provide you with legal notification that an application for a CAFRA Individual Permit has been submitted to the New Jersey Department of Environmental Protection, Division of Land Use Regulation for the development shown on the enclosed plan. A 30-day public comment period will commence on March 16, 2022. A brief description of the proposed project follows:

The project proposes the construction of a 120-unit, four-story residential building with amenities, parking on each level and associated utility infrastructure.

The complete permit application package can be reviewed at either the municipal clerk's office in the municipality in which the site subject to the application is located, or by appointment at the Department's Trenton Office. The Department welcomes comments and any information that you may provide concerning the proposed development and site. Your written comments must be submitted to the Department by the end of the 30-day public comment period.
