Dear Senior Resident,

The Borough of Keyport has formed a Senior Transportation Committee to address the transportation needs of our senior citizens. This committee is comprised of council members, the Senior Center Director and representatives from both Bethany Manor and Keyport Leisure Bay Apartments.

It is the mission of the committee to secure grant funding that will allow us to provide our senior residents with courteous and reliable transportation service within the Borough and specific surrounding areas. We are in the early planning stages and would appreciate your input.

Please complete the survey on the other side and submit your completed answers to **Wendy Tooker at the Senior Center or Borough Hall Clerk's Office no later than Monday, October 24th.**

If you need assistance completing your survey, please contact Wendy Tooker at the Keyport Senior Center at 732-264-4916, Monday through Friday, 9am to 4pm.

For more information or further details, feel free to contact Councilman Joe Sheridan at jsheridan@keyportonline.com.

Thank you for participating in this confidential survey.

Sincerely,

The Senior Transportation Committee
