

CONSTRUCTION NOTICE

Second Street from Atlantic Street to Stone Road

Vortex Services LLC will be performing sanitary sewer cleaning and inspection work on the municipal sewers that service your neighborhood as directed by the Borough of Keyport

Work will begin on WEDNESDAY 03/13/2024 and will continue for approximately 4 (four) days. Working hours are 7 a.m. to 5 p.m. daily, Monday through Friday.

Upon distribution of this notice, Vortex crews will begin this working in your area within 24 to 48 hours. Our work involves high-pressure water jetting to clean the sewer lines, followed by robotic CCTV inspection to determine the pipe's condition. You may want to leave a heavy object on your toilet seat, as the high-pressure jetting may sometimes cause bubbling in the toilets. Please note that our crews will need access to manholes that may be located on your property, so we kindly ask that you keep these areas clear and be mindful of your pets. Please use caution when driving through active construction zones.

If you have questions or special considerations, please contact:
Paul Kocher (Project Manager) 908-239-8062

We look forward to our servicing your community and improving its underground utilities.

Regards,
Paul Kocher
Project Manager
