ST. PATRICK'S PARADE COMMITTEE
PO Box 221, Keyport NJ 07735**

January 2024

Dear 2024 Parade Participant.

Each year, the Keyport Fire Department St. Patrick's Parade Committee is formed to oversee the invitations, bands, and parade route as well as ensuring the overall success of this wonderful event.

This year, our Committee is once again chaired by Henry "Hank" Young. He is working with other committee members to make the 2024 parade a fun, exciting day for everyone.

As such, we ask you, our important Keyport Businesses and Civic and Fraternal Organizations to make donations to ensure the visiting bands are sponsored and paid.

In addition, we are accepting individual donations for annual commemorative T-Shirts, with business and family sponsor names on the back of the shirt.

On Saturday, March 23, 2024, the Keyport Fire Department will be holding their 17th Annual St. Patrick's Parade. Our rain date is Sunday, March 24, 2024.

Please help us make the 2024 parade the best one yet. Enjoy the food, fun and music of this most exciting day on the streets of downtown Keyport, the little town with a big heart. Please join us near the judges' stage after the parade for the Battle of the Bands!!

All sponsor money must be remitted to the Parade Committee to be on the shirt.
